

24th Paleo

24th Czech-Slovak-Polish Paleontological Conference

October 23–24th, 2025

Kraków, Poland

First Circular

The Micropress Europe and AGH University of Krakow cordially invite you to participate in the **24th Czech-Slovak-Polish Paleontological Conference** held in Kraków Poland on **October 23–24th, 2025**.

Scope of the conference

- 1) Micropaleontology
- 2) Invertebrate paleontology
- 3) Vertebrate paleontology
- 4) Paleobotany and palynology
- 5) Paleoecology and paleobiogeography
- 6) Biostratigraphy
- 7) Fossils and evolution

Conference Venue

The conference will be held in the offices of Micropress Europe and in the facilities of the AGH University of Kraków in the centre of Kraków (Mickiewicza Ave. 30). The Main Building of AGH is centrally located within walking distance of the Old Town and the major tourist hotels near the river and castle. The European Micropalaeontological Reference Centre at Micropress Europe now houses one of the world's largest collections of agglutinated foraminifera, and these will be made accessible for viewing.

Preliminary Conference schedule

23rd October

9:00 Registration

10.00-17.00: oral and poster sessions

Evening: Conference dinner

24th October

10.00-17.00: Oral and poster sessions.

25th October

Additional optional activities: viewing collections at the European Micropaleontological Reference Centre.

Scientific program and conference materials

English will be the official language of the conference. As is the custom of the conference, native languages will also be respected. Participants are invited to present their contributions in oral or poster form.

Oral presentations

All speakers will be allocated 15 minutes for the presentation + 5 minutes for discussion. Data projector and notebook will be available.

Posters

Size format up to 1 m width and 1.5 m tall. Poster exhibition will be placed nearby the lecture room.

Abstracts of all presentations will be published in Abstract book as *Grzybowski Foundation Special Publication*. We also invite you to send an "extended abstract" of up to two pages length. After the conference there is a possibility of printing contributions as papers in the journal *Micropaleontology* (indexed by the ISI database).

Important dates

February, 2025: announcement and releasing of the first circular

May 15, 2025: deadline of registration

May, 2025: sending of the second circular

June 15, 2025: deadline for abstract submission and payment

October, 2025: sending of the third circular with detailed information and conference programme

Instructions for authors of abstracts

Please prepare extended abstracts in English. The page limit is 2 pages including tables or pictures, .doc or .rtf text format, MS Word, 11 point font size, 1,5 line spacing. Before submitting ensure yourself that your tables (.xls) and pictures (.cdr, .tif, .jpg) in final scale still readable, with respect to font size etc. Avoid unnecessary use of colors and grayscale in your charts. Submit your texts with indicated placement of tables/figures together with separate table and figure files by email to Sławomir Bębenek (**sbebenek@agh.edu.pl**), *before June 15, 2025*. Abstracts received after this deadline may not be accepted with respect to typesetting and printing deadlines.

There is no limit to the number of abstracts you may submit.

Example for 24th Paleontological conference abstracts is attached.
