Third Circular

24th Czech-Slovak-Polish Paleontological Conference

is organized by The Micropress Europe and AGH University of Krakow on **October 23rd–24th, 2025** in Kraków (Poland).

Scope of the conference

- 1) Micropaleontology
- 2) Invertebrate paleontology
- 3) Vertebrate paleontology
- 4) Paleobotany and palynology
- 5) Paleoecology and paleobiogeography
- 6) Biostratigraphy
- 7) Fossils and evolution

Conference Venue

The conference will be held at the AGH University of Krakow in the centre of city (Mickiewicza Av. 30). The Main Building of AGH (A0) is centrally located within walking distance of the Old Town and the major tourist hotels near the river and castle. The European Micropaleontological Reference Centre at Micropress Europe now houses one of the world's largest collections of agglutinated foraminifera, and these will be made accessible for viewing.

Accommodation and board in Kraków. The participants should book their own accommodation.

General Conference schedule

23rd October

9:00 Registration

10.00-17.40: oral and poster sessions

Evening: Conference dinner

24th October

9.00-14.30: Oral sessions and workshop: the William A. Berggren collection of microfossils

THE DETAILED PROGRAM IS ATTACHED

Scientific program and conference materials

English will be the official language of the conference. As is the custom of the conference, **native languages** will also be respected. Participants are invited to present their contributions in oral or poster form. There is no limit to the number of presentation.

Oral presentations

All speakers will be allocated 15 minutes for the presentation + 5 minutes for discussion. Data projector and notebook will be available.

Posters

Size format up to 1 m width and 1.5 m tall. Poster exhibition will be placed nearby the lecture room.

Abstracts of all presentations will be published in Abstract book as *Grzybowski Foundation Special Publication*.

After the conference there is a possibility of printing contributions as papers in the journal *Micropaleontology* or *Stratigraphy* (indexed by the ISI database). We kindly ask you to report any planned publications upon registration, including a potential title.

We look forward to seeing you in Kraków!
